RE: Racetrac Petroleum Inc. #617/ Ticket #PP: 37156.

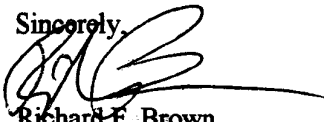

Dear Ms. Nolan,

Enclosed is a copy of the 2003 tax bill for "Additional Equipment" on Racetrac #617 at 3954 George Washington Memorial Hwy., Yorktown. It has come to our attention that this "Additional Equipment" is; Gas Dispensers, Underground Storage Tanks and related equipment. Please note that the MPD's listed/assessed/taxed on the original account are the Gas Dispensers. The tanks are not listed because Racetrac does not consider them as personal property. Once the tanks are imbedded in the ground and pass all EPA guidelines they have no resale or reusable value. They cannot be removed from the ground and reused somewhere else.

Also enclosed is an "Amended Return" listing the Tanks and Pump Equipment separately. Please note that we have moved the MPD's into this group as well. Also enclosed are copies of the first and second half 2002 tax bills showing where we paid on this "Additional Equipment". Please make the adjustments to these taxes so that we are not being taxed twice for the MPD's. We are paying the 2003 first half to avoid any penalty and interest. We look forward to your corrections as soon as possible.

Please forward to my attention any forms required to make these corrections possible. All assistance on your part to clear up this matter is greatly appreciated. Thank you for your cooperation and if you have any further questions or comments please do not hesitate to call on me.

Sincerely,

Richard F. Brown
